Thomas C. Magee

O fair - est day that ev - er dawned up - on this wea - ry earth.
And this is God who made the world which will not own his sway.

When Je - sus Christ true God, true man, our Sav - iour came to birth.
And this the King who came to turn our dark - ness in - to day.

And yet with - in the hum - ble inn no room for Him was found.
Sweet babe up - on my wait - ing heart shed forth Thy light di - vine.

While all un - seen the an - gel host kept watch and ward a - round.
And let me take Thee to my - self and ev - er call Thee mine.
